

# Do a good turn... Scouting for Food

... around the block, around  
the neighborhood

The Cub Scouts, Boy Scouts, Varsity and Venturing Scouts collect more than 22,000 food items each year, providing a "good turn" service for their friends and neighbors who are ready to help a good cause. They gather nourishment for thousands of needy children and families in our North Collin County communities. Now it is our turn, for the Lone Star District to do it's part!

**Jan 07/Jan 23** Boy Scout Troops, Cub Scout Packs, and Venture Crews pickup collection bags at either our Annual District Recognition Dinner (Jan 23) or our January Roundtable (Jan 08).

**Feb 13** Cub/Boy/Venture Scouts deliver bags to homes in assigned neighborhoods

**Feb 20** Cub/Boy/Venture Scouts pick up bulging bags of food from homes in assigned neighborhoods. **Call or email to your local coordinator your unit's can count in by 2:00pm!**

*We will need area coordinators as well as a chairman for this event! If you wish to help, please see any of the District or Commissioner Staff or our Activity and Civic Event Chairman, Mark Hanes, 972-542-5466 at [bsa.lonestar@gmail.com](mailto:bsa.lonestar@gmail.com).*

*Look for more information at your monthly Cub Scout/Boy Scout/  
Venture Roundtables  
and on the Lone Star District website ([www.lonestardistrict.org](http://www.lonestardistrict.org)) in the  
upcoming months!*
