Hey cowpokes! If you wanted to know what Twilight Camp is about to your son or boys in your pack... those might be some of the words they'd use to describe it. Those are the words our adult leaders would use to describe Twilight Camp too! Twilight Camp is Cub Scouting at its finest! Twilight Camp is a day camp held from 4:30pm-8:30pm. This is a great opportunity for boys to participate in activities that count towards the requirements for their next rank. But what does it take to make it work???

A LOT OF HELP!!!

Every year we have hundreds and hundreds of adult volunteers that make Twilight Camp a lot of fun for these boys. Who does all the work??

YOU!!

So what positions are needed for camp??

- Administrative Director
- Games Director & Assistants
- Data Entry
- Nurse
- Check In
- BB Gun Range Officer & Assistants
- Archery Range Officer & Assistants
- Nature Director & Assistants
- Craft Director & Assistants
- Scout Skills
- Games Director & Assistants
- Wood Working Director & Assistants.
- Parking
- Help Get Donations!
- Papoose Director & Assistants (watch kids of leaders)
- Security (Sheriff?)

This sounds like a lot of desperados doesn't? To put on the best possible program for these young men it takes THAT many people! **We need your help in organizing a posse for our 2010 Twilight Camp.** If any of these positions or opportunities sound like fun or something you can do; just do the following:

- ⇒ **Pick the positions that sound like you'd have the most fun doing!!**
- ⇒ **Talk to a friend and get them to volunteer too!!**
(it's always fun with people you know!!)
- ⇒ **Make the decision to have fun and make this activity a success!!**
- ⇒ **E-mail your NAME, PHONE NUMBER, E-MAIL, & position(s) you are interested in to: Mark Hanes bsa.lonestar@gmail.com**
