

“Try to leave this world a little better than you found it.”

–Lord Baden-Powell

America is a nation built on service. From barn raisings to soup kitchens, ordinary Americans have always made an extraordinary difference in the lives of their neighbors and in their communities by lending a helping hand. Today, America needs the service of its citizens more than ever. Hunger, lack of adequate shelter, obesity – these are issues that affect all of us. The Boy Scouts of America believes that we can do something about these issues – if we work together. That’s why we’ve created Good Turn for America.

- Your Unit will have a record of the service projects they’ve completed, the district can track the projects completed within their community and the council can track the total hours that Scouts and Scouters give to make a positive impact on their neighborhoods.
