

About Scouting

Boy Scouts of America has a wide range of programs for youth. For further information on the programs below, or to join Scouting, the Council office at (214) 902-6700.

Cub Scouts: If you're a boy in the first through fifth grades (ages 7 to 10), go Cub Scouting! Cub Scouting combines fun with educational activities and lifelong values. It also helps parents to help their boys strengthen character, develop good citizenship, and enhance both physical and mental fitness.

Boy Scouts: Boy Scouting is available to boys who are 11 through 17 years old, or who have earned the Arrow of Light Award, or have completed the fifth grade. Boys will learn leadership and self confidence as they tackle challenging activities in the outdoors and in their community.

Varsity Scouts: Varsity Scouting is a program for young men who are at least 14 years of age but not yet 18. It provides options for young men who are looking for rugged high adventure or challenging sporting activities and still want to be a part of a Scouting program that offers the advancement and values of the Boy Scouts of America.

Venturing: Venturing offers a program that is fun and full of challenge and adventure for young men and women who are 14 (and have completed the eighth grade) through 20 years of age. Learn more about high adventure, sports, arts and hobbies, youth ministries, and Sea Scouting crews.

Sea Scouts: Sea Scouting, a specialized part of the Venturing program, is a co-education program offered to young adults between the ages of 14 and 21. It's a chance to learn and have fun at the same time. Sea Scouts learn to sail, to row, and to keep a boat in shape.
