

We're Active

Pack # is dedicated to a lively Cub Scout experience with activities that capture the interest of boys yet are fun for the entire family, including siblings. Our Cub Scouts learn essential skills and enjoyment of outdoor activities, community involvement, personal safety, sports, and the environment.

Campouts

On overnight outings several times a year, boys learn camping, hiking, cooking, knot tying, and environmental skills. Recent and future trips include [put information here regarding camps you have previously gone to – or your unit is planning on attending in the future. How we're organized

Our pack is about __ boys organized by dens. Each den has __ to __ boys of similar grade level. Dens are a great way to make and stay in touch with friends. Boys may join at any grade.

- 1st – graders are in Tigers
- 2nd – graders are in Wolves
- 3rd – graders are in Bears
- 4th-and 5th – graders are in Webelos

Our leadership is both mothers and fathers. Single parents are welcome.

Meetings -

Dens meet one or two afternoons a month; boys do activities toward requirements for achievement awards (see next panel). Parents usually take turns organizing the den meetings. Pack meetings are one evening a month, and feature award recognition and fun activities.

What Pack # is not

Militaristic – Boys generally like wearing the Scout uniform and we're not too fussy about it.

Exclusive – We welcome boys and families of all backgrounds.

Particularly Religious – Scouting intentionally embraces all religions and offers achievement awards for learning about 25 of the world's religions.

Day Care – Even if you don't want to volunteer to lead activities, you should attend the meetings and events and be with your son. Our activities are parent / son oriented.

Achievements

One of Scouting's biggest benefits is the structured exposure to skills and practical knowledge needed in family, career and community. Many of our projects in Pack # help boys earn recognition for their achievements in over 70 different skill/activities.

The youngest Scouts can earn emblems for achievement in Family, Den, or Go See It activities.

As Scouts grow, they can earn emblems of recognition for 24 different sports including virtually every ball sport plus skating, fishing and swimming.

Academic accomplishment is also very important with recognition of accomplishment in 16 areas including:

Art – Astronomy – Chess –
Computers – Geography –
Heritage – Language and
Cultures – Map and Compass –
Mathematics – Music – Science –
Weather – Wildlife Conservation

Webelos are the oldest Scouts and they can earn 20 pins signifying their proficiency in Physical, Mental, community, Technology, and Outdoor activities. The Webelos program also prepares boys to join Boy Scouts at the end of fifth grade.
